We just met w OGC today to talk about length of time for waivers etc, but we are hoping for proposed rules at OMB in 2018.

Not as fast as he wanted but we are trying.

Hi Nancy,

The Administrator was inquiring as to where we were with worker protection standards and a timeline and substance of that. I spoke to Erik but he mentioned you were really driving the timeline and policy. He's at an event now and Tate and Lincoln are there. If you have a quick update, that would be helpful.

Thank you!
